I want to say that the history, culture and architecture of your city really liked me. I really like it. Because of this I have a little inquiry. May I trouble you to send me a some souvenirs and brochure printed on paper connected with your city, please? I also collect badges (pin) on different topics, I will be grateful if you send me with the logo of your city. I will be more than happy if you could. So I will be waiting for your reply. Thank you for understanding. Have a nice day! My address is: Dan Liviu Eminescu 33 Solotvino Tyachevsky r-n

Kind regards,
