Dear Sir/Madam,

RE: Berit Hepso

This is to confirm that Berit has completed her work experience placement at Clavering Care Home in Hatch End. We were very happy to have her with us during her attachment to ADC College. During this time she was punctual, reliable, confident and very useful.

I can only reiterate that Berit was kind and attentive whilst with the Residents and aiding the Carers and Activities co-ordinators. She was friendly, caring and polite. Her English language is excellent. We wish her every success in her studies.

Kind regards

Elaine Taylor
